

WINTER WARMTH

Are you working with a resident or patient that can't afford to safely heat their home?

Do you provide support for people in vulnerable situations who are struggling to keep warm?

SUFFOLK WINTER WARMTH PACKS ARE NOW AVAILABLE

The referral process is really simple!

Scan the QR code or visit our website to complete the form:

- Provide your details.
- Provide the client's details (so we can get their consent to the information being shared with us and contact them if we have any questions).
- Select a winter warmth pack - all contain fleece blanket and hot water bottle with cover.
- Pack A also includes outdoor accessories: body warmer (in different sizes), gloves, scarf, socks, hat and gloves
- Pack B Indoor focused pack also includes cosy hoodie, insulated flask and LED torch (with batteries)

If you cannot access the form, we can supply an alternative format. Please contact winterwarmtheastsuffolk.gov.uk

A spending limit will be applied per household but the web-form provides space to make a case for additional support. We will contact you if we need further information.

All referrals must be supported by an external statutory, voluntary or health agency.

Other winter warmth home items that can be requested include: duvets (single/double/ king), electric blankets (Single/double), fleece blankets, baby sleeping bags.

Most items will be posted direct to the household in need from the company/companies we order from.

We look forward to receiving your referrals!
